

Postgate School

"Ma te mahi ngatahi, ka tu pakari te matauranga" "Together, We Learn and Achieve"

Dear Parents/Caregivers/Whānau

Due to the country being placed at Covid-19 Alert Level 4, all schools will be closed. In preparation for this event teachers have been working hard to ensure that students are able to continue with their learning at home.

The majority of the learning at home planned is digital. The main reason for this is that it is much easier for teachers to share and monitor learning remotely. We understand that not all whānau have access to devices at home and we are giving you the option of your child using a school owned device at home during the school closures.

Once your child has taken the device home they will be responsible for looking after the device and also maintaining safe use online as they would at school. The device will need to be returned to school once school reopens.

If you would like your child to use a school owned device at school you will need to sign the form below. By signing this form you are agreeing to take responsibility for the device and that you will be liable for any loss or damage to the device. If you have any further questions please contact Kelvin - kelvin@postgate.school.nz.

Kind regards

Kelvin Harper
kelvin@postgate.school.nz

Please return to your classroom teacher

I give permission for: _____ Room: _____

in Exploration / Endeavour / Voyager / CrowsNest (please circle)

to take a school owned device home for home learning purposes.

Parent name: _____ Device Serial Number: _____

Signed: _____

Date: _____

Morena all

We trust you are well and you have started to work on your plan for the next five weeks.

All staff are at school today working on our plan for online learning; everyone is here. This is the commitment they have for our children. Postgate PRIDE!

There are families who need to borrow school devices to continue online learning. I am watching Kelvin sort this now. Great work Mr Harper!

I have attached an agreement that will be used if you take home a device or devices.

We will open the school for you tomorrow between 9am and 3pm. This will give you an opportunity to sign out a device and collect anything you may need from your child's classroom. We recommend you bring your child/ren with you so you select the technology they use in their classroom. No point getting something they are unfamiliar with.

We will send more communication later day about online learning. You will hear from your child's teacher via Seesaw. Please ensure your Seesaw account is working. Any problems, please let us know.

You'll hear more from us later today.

Take care and please remember to self-isolate.

Let's smash this CoronaVirus!
