

Morena Postgate School

We trust this email finds you and your Bubble are well.

The end of Term One was fairly full on and very different for us all. Our teachers were focused on getting our online learning going from Day One. We didn't get everything right and we apologise for any additional stress we may have placed on families. We have a plan that we will try for the first three days of Term 2, which will hopefully bring greater structure and direction for families. We understand the difficulty families were having with multiple people online also working from home.

According to Prime Minister Jacinda, we are approaching 'half-time' in this time of staying home to be safe. As in any game, half-time gives us a chance to reassess where we are at and how we'll attack the second half. Having a Bubble Chat about how we are and what we need to do differently, might be timely.

Every Bubble is different. There is no one way to live in a Bubble and for many families, this may be causing some problems. 1737 is a number you can ring or text at any time where you or anyone from your Bubble can talk with a trained counselor, for free.

A reminder about sending your Tiktoks to Kelvin, kelvin@postgate.school.nz. Kelvin will place these in a folder for us all to view and enjoy. The Tiktok challenge closes next week. I'll have a new challenge next week for you, just practicing at the minute!

Enjoy the oranges at half time. (Research has shown that they are more effective than Jet Planes for a sugar hit.) If you need anything, please do not hesitate to make contact with us or call/text 1737. Help is close by.

Keep your Bubble safe and please give your kids a hug from us. It is very strange not seeing their smiling faces each morning.

Take care. Be safe, Isolate.
