

Morena Postgate School

Postgate hopes this email finds you well and that everyone in your Bubble is doing ok. Please remember, we are here for you and yours if you need anything. It is a difficult time and it is ok to say, "Hey, I'm finding this hard."

Welcome back to the start of Term 2. We trust you are ready for a new and exciting way of learning.

Our Distance Learning starts today. There will be opportunities for you to learn with your teacher, please be aware of your daily timetable. The plan is to have the Daily timetable posted by 5pm the previous day. This will help everyone with their next day's planning. If there is a problem with this, please send me an email.

It is important that learning at home with your family remain stressfree for all. If it does get stressful, take a break and come back to it when you can. Keep in contact with your classroom teacher and seek extra support if needed.

Maureen Bate has set up a Facebook page for Postgate students with beginner Te Reo. *"I've set up a facebook page to manage my te reo maori learning videos: **Te reo Māori a Whāea Maureen**. Its targeted at Postgate School taurira only and will contain beginner level videos aimed at increasing the use of te reo Māori in an everyday context"*.

I have a challenge for you all to complete today. The Paper Dart Challenge.

It is easy. Simply make a paper dart and we'll see who can fly theirs the furthest. Let me know the distance and the winners will have a fly off when we get back to school.

Don't know how to make a paper dart? Either lookup on the net or ask someone who went to St Bernard's College; that is all we did in class!

Finally, here are some sweet sounds to help you start your day, and it is going to be a lovely day!

Keep smiling. Stay positive, stay in contact and remember to show Postgate PRIDE today.
