

Morena Postgate School

Thank you all for your efforts yesterday. It is greatly appreciated by our staff. We know it can be difficult at home and, once again I'd like to stress, your job is to make learning fun and learn alongside your child/ren.

There are many ways you can enhance learning and cooking with your child/ren is one exciting and rewarding way. That is why today we have a very special segment of a brand new show, "**COOKING WITH CAMPBELL** and Katherine". The challenge for today is to send through a photo of your child's baking/cooking efforts to [kelvin@postgate.school.nz](mailto:kelvin@postgate.school.nz). Kelvin will be the judge of the best effort. The real magic is the learning that will be happening while you work together; 3/4 cup, tablespoon of... etc

I do hope Nana Singh is happy with my efforts. Nana Singh makes a mean curry and Naan Bread!

Have a wonderful day and if you need anything please let us know.

Keep smiling. Stay positive.
