

Morena Postgate School Whanau

We had a great day at school yesterday, although it was very strange not to have a heap of kids happily going about their mahi. We are looking forward to the day we move to Alert Level 2 and we all come back to school.

Deepest Sympathy

On behalf of the Postgate School community, we offer our deepest sympathy to the Pu'a family (Ellanay and Lorelai) on the passing of their Great Grandpa on ANZAC Day. Great Grandpa spent his last few days, after being in hospital, with his family before his passing. All our love and prayers go out to the Pu'a family

"Kapiti hono tātai hono ko ngā mate o te wā ki a rātou, kapiti hono tātai hono tātou ngā mahuetanga ki a tātou.

Our loved ones have passed into the eternal world, while we continue to our lives here. But the bind will be forever."

Please Reach Out

If you know of someone in need of help, either yourself, a neighbour, a family member, anyone, please let us know. I've had a few emails from Postgate School parents asking to help or directing us as to where we can get help. We are here for you and yours, we just need to know where to direct this help.

Community COVID-19 Statistics

Every weekday on the Capital & Coast DHB Facebook Page, they display the COVID-19 stats for this region. They make for pleasing reading, at the moment. This is a reminder to us all of the great work we all have been doing and with a little more effort/discipline at Alert Level 3, we'll be smoothly gliding into Level 2. Please remain vigilant, remind your extended family of what is required at Alert Level 3. Some of the scenes over the last few days not only has me SMH but also worried that the amazing work done by 99.9% of New Zealand could be undone. I miss school and sport; these two areas only operate under Alert Level 2. Come on Postgate, we got this and we may need to have others

Please keep sending through your business details, as per the other emails, and let us know if we can help you or others.

Keep smiling, keep being awesome, and keep telling people to pull their heads in if they are letting the team down!
