

Kia ora Postgate School

We had a great day at school today as we saw our Health and Safety Plan start to come to life. Glenn and Marie, our new cleaner, have been doing an outstanding job preparing Postgate School for the return of our kids. These two amazing people have gone well past their job description this past couple of weeks. Thank you Glenn and Marie.

On Thursday we will be sending our Health and Safety Plan out to you. However, we want to know how you and your child are feeling and your worries/concerns moving forward.

The survey is very brief and we feel we will get lots of valuable information from you. No point having a safety plan for your child when we do not address the wants, needs and concerns of our community. Once we start to get your information we can make changes or adapt the H&S plan accordingly.

Thank heaps for taking the time to fill out the survey.

Keep smiling, keep being awesome and we are getting really excited for Monday! So cool! And please, complete the survey, just click on the link.
