

Kia ora e te whānau

From all reports from around our school, we are all coping as well as can be expected. There are a large number of students missing school, especially their friends. This is totally understandable as we spend over 30 hours a week at Postgate and form very close bonds with our classmates and teachers. To be suddenly cut off does take some time to readjust.

Our awesome staff wants to thank you for all you are doing at home. The transition into Distance Learning has gone well and overall, is a lot less stressful this time around. You guys are awesome.

Tomorrow afternoon we will receive information as to where we are heading next, so there will be a very important email coming out later tomorrow about a potential move into Alert Level 3 or staying the same. Fingers crossed that all is well in our area and we are on the move.

Here is a link from our good friends at Kelly Sports that may prove useful, especially with getting our children up and busy. <https://www.youtube.com/channel/UCbkWM57i1i2UPNvkFvOqN0Q> Mark Sorenson and his Kelly Sport Team are working with our school during Term 4 on Sports Programmes.

Thank you to Nicole Mitchell for her fitness videos; easy workouts and can be amped up depending on the age of your child/ren. A reminder that we should all be doing these fitness videos with our kids. Teamwork, dream works!

Finally, we have another video from Tara and Nana Samoa. This video will also provide you with an excellent opportunity to talk with your child/ren about being safe in the kitchen and what could happen if something goes wrong! Shaking My Head! Tara didn't learn that from me! All from her mother's side
eh? https://drive.google.com/file/d/1Y_U7fWZJdmSYEJqJsNBpK_SvUm1IA8dg/view?usp=drivesdk

Keep being awesome. We love the work you are doing with and for your children.
